

Overview

Kailash Mansarovar Tour is the most important religious site in Asia for Shiva devotees. All Hindu religious peoples are dreaming to be there they do not care about money and difficulties while traveling to the holy place. Every year some Shiva devotees die due to high altitude but their family members are happy because they believe if someone dies in the holy place they will reach to heaven. We BLUE HIMALAYA TOURS & TRAVELS every year escort many Shiva devotees to Mount Kailash (6714m), The famed holy peak in the west of Tibet. Mt. Kailash has long been an object of worship for four Major religions, for Hindu, it is the domain of Shiva, It is also the abode of the samsara-a multi armed, wrathful deity worshipped in the chakrasamvara Tantric cycle of Tibetan Buddhism. The joins of India also reverse the mountain as the site at which the first of their saints emancipated. And in the ancient Bon religion of Tibet, Kailash was the sacred nine stories Swastika Mountain, upon which the Banpo founder Shenrab alighted from heaven. The 53 Km. Kailash circuit is the holiest of all-Hindu as well as Buddhist pilgrimages and the beacon, which draws most travelers to western Tibet. It is said that a single Parikarma erases the accumulated sins of a lifetime, while 108 circumambulations will achieve Salvation.
