

Overview

You love walking, but you are limited with time and would love to explore the valley? We welcome you to enjoy our half day hiking experience near by the core city of Kathmandu. It lets you an opportunity to explore the city itself from a different angle and enjoy the views from the view tower. Mudkhu Bhanjyang Day Hike is the best short hiking experience in Kathmandu.

After driving about 20 minutes from Thamel, the hiking begins from Mudkhu Bhanjyang. In a very short time, you will feel the countryside experience. Although it's a short walk, tea break will be there. The place is amazing to enjoy the surrounding beauties, mixed of the tradition and modernity, Himalayan views and the remote countryside. The perfect view of the Kathmandu valley can be seen from the view tower along with the greeneries. The hike incredibly refreshes you before flying back to your country.

Blue Himalaya Tours and Travels operate the enchanting short day hiking to Mudkhu view tower with our professional guide. We will make your valuable time a great memory with this hike. Please, do not hesitate to contact us for more details.
